

Plover

Sept 2 1872

My dear friend,

68
Sticks on! Every three
tells! I thank you for sending me your
article in "The Liberator" last April.

Dear Sumner! I love him full for
what he has been & for what he has
done. His intense dislike of President Grant
has wrought great evil (I will not say
in his heart) but certainly in his judgment,
leaving I mean.

May he for some time to America
rest in health of body & health
of spirit!

Traverse Maine water. I hope
she may give us ten thousand more.
pity. Vermont did gloriously.
I should love to talk with you a
couple of hours. Cordially yours
